with my retirement allowance to begin on the effective date of my retirement, or on the initial date of payability, whichever is later.

Note: By completing this form you are requesting payment of your Service Retirement. Beneficiary Selection:

The two temporary options are: The Ten-Year Certain Option, and the 100% Joint-and-Survivor Option. Please read the descriptions of both, before choosing your retirement option. Please choose only one of the following.

Ten-Year Certain

If you die within ten years of your retirement, the reduced monthly retirement benefit will continue to be paid to your surviving primary beneficiary for the unexpired balance of the ten-year period. If the designated primary beneficiary predeceases you, the balance of the payment continues to your contingent beneficiary. If none exists, it is paid in a lump-sum to your estate. Should a primary beneficiary die after receiving payments, the balance will be paid in a lump-sum to your contingent beneficiary. If none exists, the lump-sum balance is paid to the estate of the primary beneficiary. You may nominate both a primary and a contingent beneficiary under this option.

100% Joint-and-Survivor

This option assures you and your designated beneficiary a reduced benefit for lifetime. Should you die, your designated beneficiary will receive the same lifetime benefit. Because this option guarantees two specific people an income for life, the life expectancies of the retiree as well as the beneficiary are taken into consideration. Therefore, once you designate a beneficiary and the option is in force, you cannot change your beneficiary designation, even if he/she precedes you in death. You may only nominate a primary beneficiary under this option.

Once you have selected your temporary option, please designate your beneficiary on the next page. Remember if you choose Ten-Year Certain, you must designate both a primary and contingent beneficiary. If you choose 100% Joint-and-Survivor, you may choose only a primary beneficiary.

The beneficiary whom I wish to nominate to receive my benefit is:

Please read the following information carefully before completing this application

Your Retirement Date

Before filing this application with NYCERS, you must check with your agency to determine if you are entitled to payment of any terminal leave or accumulated annual leave. If it is determined that you are entitled to be paid on the payroll for any leave time due you, the agency will advise you what your last day of pay will be. **The effective date of retirement requested on this application should be the day after the last day you are paid by your agency.**

When to File This Application with NYCERS

For Tier 2 members, a properly completed application for service retirement must be filed with NYCERS not less than 30 nor more than 90 days prior to the effective date of your retirement. You must be in City service on the date this application is filed with NYCERS, and you must remain in City service up to the effective date of your retirement. (A member carried on an agency payroll on a leave of absence without pay is considered in City service for retirement purposes.)

Tier 3 members eligible for immediate payability of a retirement benefit, this application may be filed with NYCERS up to the day before the effective date of retirement, but not more than 90 days prior to the effective date of retirement.

Tier 4 members eligible for immediate payability of a retirement benefit, this application may be filed with NYCERS up to the day before the effective date of retirement, but not more than 90 days prior to the effective date of retirement. The Dispatchers 25-Year Program, the EMT 25-Year Program, the Deputy Sheriff 25-Year Program, the Automotive Service Worker 25 Year/Age 50 Program, the Police Communications Technician 25-Year Program and the Special Officers 25-Year Program are subject to different filing requirements. Members in these special retirement programs must file this application at least 30 days prior to the effective date of retirement, but not more than 90 days prior to the effective date of retirement.

Withdrawing an Application

This application for service retirement may be withdrawn by you, any time prior to the effective date of your retirement, by filing a written request with NYCERS.

Important Note

This application is a self-effectuating document. If a valid application, it becomes effective on the date requested by you, even if you continue in City service after your effective date of retirement.

Employment After Retirement

You should check with NYCERS before accepting any employment in the public sector after your effective retirement date. You may be employed after retirement in New York City or New York State public service if you secure approval for such employment under §211 or §212 of the Retirement and Social Security Law. You may be employed by the Federal government or in private industry, without affecting your retirement benefits from NYCERS.

Options

There are various retirement options depending on the tier you are in. Two are provided on this form; the Ten-Year Certain and the 100% Joint-and-Survivor. If you wish to select an option other than one of these, you will need to obtain the appropriate form. If you do not know the form number, please dial our Call Center number (347) 643-3000 and ask for assistance, or visit our Customer Service Center located on the Mezzanine level at 340 Jay Street in downtown Brooklyn.

You must return all pages of this form even if you have intentionally left portions blank. You do not have to return the Instruction Page if you received or downloaded it as a stand alone page.

TERMS OF LOAN

You should not file this application without first reading all the terms.

- ▶ Loans may be made to Tier 1 and Tier 2 members in City service who have been members of NYCERS continuously for at least three years.
- ▶ Outstanding loans to members cannot exceed 75% of the sum of the amount last posted to the member's Annuity Savings Fund and the value of any outstanding loan.
- ▶ No more than two loans may be granted in any 12-month period.
- ▶ Repayment of a loan must be made in equal installments by payroll deductions at a rate of not less than 5% of the member's earnable compensation.
- ▶ The balance outstanding on any existing loan is combined with the new cash loan and establishes a new loan.

Please read this information before making your selections on Page 2

Federal tax law provides that where the total outstanding loan is **either** greater than \$50,000, **or** the term of repayment exceeds five years, **or** if the loan is subsequently not repaid, the loan is subject to a determination as to whether any part of it constitutes a taxable distribution. In addition to being taxable at the member's normal tax rate, a member under the age of 59½ will incur an additional 10% penalty on such distribution. If a member requests a tax-free principal loan, it will be limited to pre-1987 contributions. Any loan based on post-1986 amounts will be at least partially taxed, with a distribution of IRC Section 414(h) pick-up contributions (Federal tax-deferred) being fully taxed.

Select one option only under "Loan Requested," "Repayment Schedule," and "Withholding Tax"

Failure to select an option will result in the loan being processed as if a **Maximum** loan amount had been requested with a **Minimum** repayment amount, and tax withheld on the taxable amount, if any such amount is greater than \$200. Selecting more than one option in any section may result in the loan not being processed.

Attention Prospective Retirees

In order to minimize the taxability of your loan, and to preserve your ability to roll over the taxable amount (after it is determined during the processing of your retirement), you will need to check the box which states "REPAY IN FIVE-YEAR PERIOD." Otherwise, the loan becomes immediately taxable as a loan distribution and cannot be rolled over as a retirement distribution.

Application to Purchase Credit for Service Rendered Prior to Membership Date in NYCERS

CLOCK-IN-DATE

NYCERS now offers you two ways to purchase previous service: by submitting this application **or** using our new on-line buy back application. Members who register on our website (www.nycers.org) can use an online application and submit it instantly for processing. If you choose to continue with this hardcopy form, it is important to note that this is a multi-part form consisting of: Form 241 which is to be used to describe your buy-back claim, and Form 242 (for full-time service) or Form 243 (for part-time service) which is the verification of your payroll records for the specific claim. In most cases it is recommended that you allow NYCERS to either supply or obtain the payroll records needed on Form 242 or 243, but you may obtain that information yourself if you wish. NYCERS cannot process your buy-back until all of the information is received. If you have any questions or need help, contact our Call Center at (347) 643-3000.

FACT SHEET

What previous service can I purchase?

Tier 1 members: You are eligible to buy back full or part-time New York City service rendered previous to your NYCERS membership.

Tier 2, Tier 3 or Tier 4 members: You can buy back full or part-time public service rendered within New York State prior to your NYCERS membership. For the service you want to buy back, you must have been in a position that would have allowed you to join a public employee retirement system in New York State (regardless of whether you actually joined or not).

All Tiers: You are **not** eligible to buy back time you worked for a private company, for the federal government, or for any government office outside of New York State.

Will the previous service I buy back make me eligible to retire sooner?

Generally, yes. In most plans, you are able to retire sooner when you buy back previous service.

There are a couple of exceptions, however. Some plans don't allow all the types of previous service to count as qualifying time - such as in the Tier 1 and 2 Career Pension Plan (Plans A and C). In some Special Programs, such as the Transit 55/25 Program, the service cannot be used at all. If you are unsure of the rules under your plan, contact NYCERS before you apply to purchase any previous service.

Does it pay for me to buy back previous service?

Generally, yes. Since most of NYCERS' retirement benefits are calculated based on your years of service, the additional years - under most plans - will increase your benefit. There are a couple of exceptions:

- Some plans have a cap on the maximum number of years that can be included in your benefit calculation.
- Some plans have stricter requirements for the types of service that can be used in your benefit calculation.

If you are unsure of the rules under your plan, contact NYCERS before you apply to purchase any previous service.

How much does it cost to buy back previous service?

The easiest way to estimate the cost of your buy back by using our online interactive calculator. All you have to do is register to become a MY NYCERS member on our website (www.nycers.org). The Buy Back Calculator enables you to obtain an estimated cost to purchase previous service based on information taken from your account, as well as information you wish to include. You can try various dates, salary amounts, and other situations, to see how these amounts affect your estimate. Or you can get an estimate through the NYCERS' Call Center. Remember these are only estimates. The true cost of purchasing previous service can only be received after you actually fill out an application.

Tier 1 and 2: The cost is based on your current earnings. You will pay double your full normal deduction for the same period being claimed. For example, if you are buying back six months of service, you will have double deductions taken from your current salary for a six-month period.

Tier 3 and 4: The cost is based on the wages you earned during the period claimed, multiplied by your contribution rate(s), plus interest from the date of such service to the date full payment is made at the rate of 5% compounded annually. So, the sooner you apply and pay for your previous service, the less interest you will have to pay.

UNDER FEDERAL LAWS (THE VRRRA)

Even if you were not a NYCERS member at the time of service, you are eligible to receive credit for the entire length of your mandatory military service, and up to four years of voluntary service, if you:

- Left a New York State municipal employer immediately prior to entering active military service with the intention of entering military service
- Served on active duty in one of the US military branches
- Applied to return to a City (or other municipal) position within 90 days after termination of your military duty (or release from hospitalization after discharge for a period of not more than one year)

UNDER NEW YORK STATE MILITARY LAW

You are eligible to receive credit for the entire length of active-duty mandatory military service as long as you:

- Were a member of the retirement system at the time of entering military service
- Were employed by some municipality within New York State
- Obtained leave of absence for the purpose of serving on active-duty, and actually served
- Applied to return to a City or other municipal position within 90 days after termination of your military duty
- Paid, within five years after the day of your restoration to service, the contributions that you would have made during the period of your military service leave of absence

UNDER THE RETIREMENT AND SOCIAL SECURITY LAWS (CHAPTER 548 OF THE LAWS OF 2000)

If you have five or more years of NYCERS membership, you may purchase up to three years of Military Service time, even if:

- It was rendered prior to entry into City Service
- You are not a New York State resident

World War II (12/7/41- 12/31/46)

THIS OPTION EXPIRED October 18, 2001

Please note that if you purchase your military time under Chapter 548 of the Laws of 2000 and that service does not increase your retirement allowance or death benefit, payments shall be refunded by NYCERS, with interest.

USING DEFERRED COMPENSATION MONEY FOR PURCHASING MILITARY SERVICE.

I hereby make application for refund of the excess Accumulated Salary Deductions, and accrued interest on the same, standing to my credit in the New York City Employees' Retirement System. I understand that excess contributions do not begin to accumulate until **January 1st of the year following** the year I complete the minimum required years of service for my retirement plan.

Please Note: Since the law requires members to cancel their contribution rate as a condition of receiving a refund of excess contributions, this application will also serve as a request by you to cancel your contribution rate.

Due to Federal Tax laws, after you file this application and we compute the refund payable to you, NYCERS will send you a notice concerning its taxability, and, if applicable, an election form so that you may roll over the taxable portion of the refund, if you elect to do so.

If no part of the refund is taxable, no election form or tax notice will be sent to you. If you wish to limit your return of excess contributions to amounts not subject to Federal tax, check off "Tax-Free Principal." The excess paid to you will be limited to your pre-1987 contributions.

Indicate **Only One** Of The Following As Your Excess Amount Request

Maximum or Tax-Free Principal or Amount \$

Special Notice To Prospective Retirees

If you are in the process of retiring, an option letter may be sent so quickly that the amount of your excess refund and any loan taken at retirement may not have been processed and deducted from your Annuity Savings Fund prior to the time that the retirement allowance amounts are determined.

If an excess and/or loan is processed after your option letter, the amounts stated in that letter will not be correct. Please contact NYCERS immediately if you realize that this has happened in your case. Failure to contact NYCERS will result in an overpayment in your retirement allowance, a future downward revision in your benefit, and a requirement that you return any overpayments.
