YOUR 7 STOPS ON THE ROAD TO RETIREMENT

Retiring from your City job is an important step and the beginning of an exciting time in your life! On a practical note, it's a process that will take at least a few months to complete and can go more smoothly if you fully understand what to do and what to expect.

1 90-180 days
before your target
retirement date

SEE YOUR BENEFIT COORDINATOR AT YOUR EMPLOYER

Your payroll department will settle up your leave balances and help figure out what is your last date paid. Your retirement date should be the day after your last date paid. (See #5 below to help determine your optimal retirement date.) Many agencies will give you a letter with this information which you should then provide to NYCERS when you file for retirement.

payroll

FILE YOUR RETIREMENT APPLICATION WITH NYCERS

Certain retirement plans require that you submit your application at least 30 days before your desired retirement date. Other plans allow later submissions, even as late as the day before your retirement date. It is strongly suggested that you submit your retirement application in-person to NYCERS, where an Examiner can confirm the filing requirement for your plan and address other matters concerning your submission. When you visit also bring: birth documentation such as a passport or birth certificate and photo ID such as your work identification or driver's license. Also know the address, date of birth, and Social Security Number of your beneficiary for your temporary option election.

ment

BRING YOUR RETIREMENT RECEIPT (FORM #541) TO YOUR EMPLOYER

Retirement receipts are provided to members who submit their retirement application to NYCERS in-person or by mail. The receipt confirms your filing and enables your employer to start certain agency actions such as the processing of your health insurance (if eligible). A copy of your retirement application with the NYCERS date and time stamp also serves as proof of filing. NYCERS does not administer retiree medical benefits. Please direct any questions on this matter to your employer.

FILE FORM #380 TO REQUEST DIRECT DEPOSIT

Your first advance payment is always made by check. Submit Form #380 to request direct deposit for subsequent checks.

YOUR FIRST ADVANCE PAYMENT WILL ARRIVE BY MAIL

If you retire on the 1st or 2nd day of the month, your first advance payment will be at the end of the month you retire. If you retire on the 3rd or later, your first advance payment will be at the end of the following month.

OPTION PACKAGE MAILED. FILE YOUR FINAL OPTION ELECTION

Your option package will arrive in the mail about 2 months after your retirement date. Return your Option Election form within 60 days of receipt of the package. The sooner you file your election, the sooner your final allowance can be calculated.

7 1-2 months after
you have submitted
your final option
election to NYCERS

YOUR RETIREMENT WILL BE FINALIZED

Your regular pension payment is determined based on your final option election and added to the pension payroll including any retroactive monies that might be payable because the option you elected pays you more than the advance payments you've been receiving since your retirement date. This is the final step in the retirement process!

CONGRATULATIONS AND ENJOY YOUR RETIREMENT!
