Application for Service Retirement Tier 2, 3, 4 and 6 Members

This application is for Tier 2, 3, 4 and 6 members who wish to apply for Service Retirement. Before filing this application with NYCERS, you must check with your agency to determine your last day of pay. This application also allows you to elect one of four temporary options before you elect a permanent option and thereby make a final decision regarding the way in which your retirement benefit will be paid. If you wish to elect a different option, please register for/log in to your MyNYCERS account at www.nycers.org and submit an online Service Retirement Application.

By electing a temporary option, you protect your beneficiary/beneficiaries during the period between your effective retirement date and the date NYCERS receives your Final Retirement Option Election (the "Interim Period"). If you die during the Interim Period, the beneficiary you name below will receive a continuing benefit after your death. **Please carefully read the instructions below and on the last page before completing this form. Sign the form and have it notarized on page 4.**

You must return all pages of this form even if you intentionally left any of them blank. Do not alter anything on this form, as that will render it invalid. **NOTE: If the address you provide on this form is different from your address in NYCERS' system, the new address will become your official address in NYCERS' records.** Contact NYCERS' Call Center at (347) 643-3000 if you have any questions.

No advance (partial) pension payment will be sent to you until NYCERS has acceptable proof of your identity and birthdate on file. (See Fact Sheets #709 and #711, available at www.nycers.org, for details.)

Temporary Options

Tier 2 members: If you do not elect a temporary option and you die during the Interim Period, you will be deemed to have elected Option 1 - Return of Annuity Reserve as your temporary option and your membership contributions plus accumulated interest will be paid to the beneficiary/beneficiaries NYCERS has on file for you.

Tier 3, 4 and 6 members: If you do not elect a temporary option and you die during the Interim Period, you will be deemed to have elected the Maximum Retirement Allowance as your temporary option and your pension will cease upon your death.

Temporary Option Election

This form allows you to elect either the Maximum Retirement Allowance, or one of three temporary options: the 100% Joint-and-Survivor Option, the Five-Year Certain Option, or the Ten-Year Certain Option. Please read the descriptions of each option

then choose **only one**. You are required to provide information about your beneficiary/beneficiaries following the option you have elected. Use your beneficiary's given name (e.g., Mary Smith, not Mrs. John Smith).

- If you choose the 100% Joint-and-Survivor Option, you may designate **only one beneficiary**. Under this option, NYCERS requires proof of birthdate for your beneficiary as well as additional valid documentation, such as a marriage certificate(s), for all names that your beneficiary has been known by that are different from the name on the birthdate evidence you submit.
- If you choose the Five- or Ten-Year Certain Option, you may designate **one primary and one contingent beneficiary**. Birthdate evidence for your beneficiary is not required. Tier 2 and 3 members may designate their Estate for the Five- or Ten-Year Certain Option (see page 3); Tier 4 and 6 members may not.

Choose only ONE of the following Temporary Options by checking the box:

Maximum Retirement Allowance – I elect to receive the maximum lifetime retirement allowance payable to me. I understand that all payments cease upon my death, and that under this option I cannot elect a beneficiary.

– OR –

100% Joint-and-Survivor – This temporary option provides your designated beneficiary with a lifetime benefit if you die during the Interim Period. The benefit is calculated as if you had elected the 100% Joint-and-Survivor Option as your permanent option. The life expectancies of both you and your designated beneficiary are among the factors considered in the calculation of this benefit. Under this option, you receive a pension lower than the Maximum Retirement Allowance because the same amount is to be paid over two lifetimes. In this case, the benefit payable to your beneficiary for their lifetime would be 100% of the reduced pension you would have received during your lifetime. **You may not nominate your Estate for this option.**

<input type="text"/>	<input type="text"/>	<input type="text"/>

If this beneficiary is a minor, you have the option to name a custodian of the property of the minor by checking this box and completing **Form #137**.

– OR –

Five-Year Certain (Tier 4 and 6 members **may not name their estate** for this option) – This temporary option provides that a benefit will be paid for 5 years if you die during the Interim Period. The benefit is calculated as if you had elected the Five-Year Certain Option as your permanent option. Unlike a Joint-and-Survivor Option, the benefit payable under the Five-Year Certain Option is not based on life expectancies, but rather on a defined period of time. Under this option, you receive a reduced pension (a pension lower than the Maximum Retirement Allowance) because the same amount continues for the remainder of the five-year period upon your death. In this case, the benefit payable to your primary beneficiary is the same reduced pension you would have received during your lifetime. Should a primary beneficiary die after receiving payments, the balance will be paid in a lump sum to your contingent beneficiary. If none exists, the lump-sum balance is paid to the Estate of the primary beneficiary.

– OR –

Ten-Year Certain (Tier 4 and 6 members **may not name their estate** for this option) – This temporary option provides that a benefit will be paid for 10 years if you die during the Interim Period. The benefit is calculated as if you had elected the Ten-Year Certain Option as your permanent option. Unlike a Joint-and-Survivor Option, the benefit payable under the Ten-Year Certain Option is not based on life expectancies, but rather on a defined period of time. Under this option, you receive a reduced pension (a pension lower than the Maximum Retirement Allowance) because the same amount continues for the remainder of the ten-year period upon your death. In this case, the benefit payable to your primary beneficiary is the same reduced pension you would have received during your lifetime. Should a primary beneficiary die after receiving payments, the balance will be paid in a lump sum to your contingent beneficiary. If none exists, the lump-sum balance is paid to the Estate of the primary beneficiary.

Permanent Option Election

After your retirement date, NYCERS will send you an option package containing information regarding the amounts payable under the Maximum Retirement Allowance and the various options available. The package will include Final Retirement Option Election forms. Even if you are satisfied with the temporary option you elect, you will be required, within 60 days of the date on the option letter, to make a final election of either the Maximum Retirement Allowance or an option that pays a benefit to your beneficiary/beneficiaries. With the Maximum Retirement Allowance, all payments cease at the time of your death. If you elect a joint-and-survivor option, that beneficiary's life expectancy is factored into the calculation. If you fail to elect a final option in the time specified, your benefit will be finalized under the temporary option elected. If you do not elect a temporary option and you do not file a final option election, your benefit will be finalized under Option 1 - Return of Annuity Reserve (Tier 2 members) or the Maximum Retirement Allowance (Tier 3, 4 and 6 members).
