The maximum salary subject to the Federal Insurance Contributions Act is $127,200 for calendar year 2017; and $118,500 for calendar year 2016.
Pg. 6 - Purchased Service

The sentence “You may file a request to purchase Previous Service as long as your membership in NYCERS is still active…” is replaced with “You may file a request to purchase Previous Service as long as you are in Active Service. (Vested members are not eligible to purchase previous service).”

**Revised August 2017 as follows:**
The last two paragraphs are replaced with:
“The cost to purchase previous service is based on your current earnings. You may pay for this service in a lump sum, by payroll contributions, or by transferring funds from a Deferred Compensation Plan or Individual Retirement Account (IRA) listed below (if allowed by your plan administrator). If you choose payroll deductions, you will pay double your full, unreduced “basic” employee contribution rate for the period being claimed. For example, if you want to buy back six months of previous service, you will pay double deductions for the next six months.

“Examples of such a purchase include, but are not limited to: pre-member service, military service, and tier reinstatement (prior membership portion only). You will need to send a copy of the cost letter you receive from NYCERS to the administrator of your Deferred Compensation Plan or IRA at least 15 days before the payment is due at NYCERS. Funds will be transferred directly to NYCERS as a payment for your previous service.

- 457 Deferred Compensation Plan
- 403(b) Deferred Compensation Plan
- 401(a) or 401(k) Qualified Defined Benefit or Contribution Plan
- 408(a) or 408(b) Individual Retirement Account
- 403(a) Annuity Plan

*Note: Transfers from Inherited IRAs, Roth IRAs and Inherited Roth IRAs are not permitted.

“For complete details, please see our Fact Sheet #708, Other Available Options for Lump-Sum Payment, available on our website at www.nycers.org.”

Pg. 7

**Revised August 2017 as follows:**
The sentence “NYCERS members cannot use their 401(k) plan to purchase service credit.” is deleted.

**Military Service**

**Revised August 2017 as follows:**
The following paragraph is added:
“Chapter 41 of the Laws of 2016 removes the specified periods of time, medal requirements, and theaters of operation in which military service would had to have been rendered for applying to purchase military service credit. Chapter 41 is deemed to have been in full force and effect on May 31, 2016.”

The sentence that reads “Note: ask NYCERS for contribution details if you serviced in active duty during Desert Storm.” is corrected to read: “Note: ask NYCERS for contribution details if you served in active duty during Desert Storm.”

Pg. 8

**Revised August 2017 as follows:**
The section that begins “To be purchasable…” and ends with “…to the end of such hostilities.” is deleted.

Pg. 14 - Loans

The Patriot Plan suspends a member’s obligation to repay any loan while the member is absent on Military Duty for up to a maximum of five years.
pg. 15 - outstanding loans at retirement

All retirees are permitted to repay any outstanding loan balance, at any time during retirement, provided the payment is in full. Upon repayment of the entire loan balance, the pensioner’s benefit will revert to what it would have been had it never been reduced. The new adjusted retirement allowance will be effective upon the date of receipt of payment.

pg. 24 - withdrawing an application for service retirement

Revised August 2017 as follows:

This paragraph is revised to provide the form number of the withdrawal application and to read as follows:

“You may withdraw your application for service retirement by filing Withdrawal of Service Retirement Application Form #542 with NYCERS up to the day before your effective date of retirement.”

pg. 25 - service retirement dollar limitations

Chapter 623 of the Laws of 2004 established an excess benefit plan. The result of this legislation is that NYCERS members are generally no longer affected by the IRS Section 415 Limits because the excess benefit plan replaces any amounts limited by IRS Section 415.

Chapter 623 of the Laws of 2004 also made provisions for excess benefits to be paid retroactively to all pensioners who retired on or after July 1, 2000. Excess benefits are incorporated automatically into a retiree’s normal pension payment.

pg. 26 - service retirement benefit calculations

The retirement age for TBTA members has been reduced by six months for each year of covered employment rendered prior to 01/01/74 and reduced by four months for each year of covered employment rendered prior to 12/31/08 (previously the covered period ended 12/31/06).

Revised August 2017 as follows:

In the section headed “CAREER PENSION PLAN (PLAN A),” the first bullet point is revised to read:

“55% of your Final Salary (or the average of any three calendar years)”

pg. 36 - wtc law

This creates a presumption that eligible members/retirees who develop pre-defined qualifying conditions or health impairments as a result of participating in World Trade Center rescue, recovery or clean-up operations at a covered site contracted such condition in the performance and discharge of duty thereby conferring an accidental disability benefit. A precursory notice MUST be filed no later than September 11, 2015 except for members in the Chapter 489/2013 covered group (see below).

Chapter 214 of the Laws of 2007 expands the covered sites defined in the WTC Law to include members who repaired, cleaned or rehabilitated vehicles contaminated by debris at the WTC site, regardless of whether the vehicles were tended to at the WTC site.

Chapter 489 of the Laws of 2013 allows Tier 1 vested members to file a Notice of Participation no later than September 11, 2014 and to subsequently apply for a three-quarters disability benefit pursuant to NYC Administrative Code §13-168. It also allows the eligible beneficiaries of deceased Tier 1 vested members (who die prior to payability of a retirement allowance) to file a Notice of Participation and apply for accidental death benefits. Please see the WTC Fact Sheet at www.nycers.org.

Chapter 472 of the Laws of 2014 extends the deadline for filing a Notice of Participation under WTC Disability Law from September 11, 2010 to September 11, 2015 for all members who participated in the Rescue, Recovery or Cleanup operations related to the World Trade Center attack on September 11, 2001. However, the deadline for filing a Notice of Participation under the WTC Disability Law for the Chapter 489/13 Covered Groups (vested members in NYCERS in Tiers I and II; vested Uniformed Corrections members in NYCERS in Tier III; vested Uniformed Sanitation members in NYCERS in Tier IV; vested Deputy Sheriff members in NYCERS in Tier IV and Tier VI; vested EMT members in NYCERS in Tier IV and Tier VI) would remain unchanged at September 11, 2014.

Please refer to the WTC Fact Sheet on our website at www.nycers.org.

Tier 1 Summary Plan Description Updates #976 - Page 3
Added August 2017:
Chapter 326 of the Laws of 2016 extends the deadline to file a Notice of Participation in WTC Rescue, Recovery, or Clean-up Operations to September 11, 2018. Chapter 326 is deemed to have been in full force and effect on and after September 11, 2001.

Pg. 37 - Survivor Benefits
Any member who dies while performing service in the uniformed services, as defined in USERRA, shall be considered to have died as the natural and proximate result of an accident sustained in the performance of duty. The beneficiaries of members who die while on military duty may be entitled to receive either an Ordinary Death Benefit or an Accidental Death Benefit. Depending on the deceased member’s title, a Special Accidental Death Benefit might also be paid.

WTC Death Benefits – This provides line-of-duty death benefits to the statutory beneficiary(ies) of eligible members/vested members/retirees who die from a Qualifying Condition or Impairment of Health contracted as a result of their participation in WTC rescue, recovery or clean-up operations.

Pg. 38 - Special Accidental Death Benefit
The widow or widower, or children under the age of 18 or age 23 if a student, of Correction, Housing, Transit and TBTA Officers or certain EMT members killed in the line-of-duty or while in military service are eligible for special accidental death benefits pursuant to Section 208-f of the General Municipal Law. This is a supplemental monthly payment in addition to the accidental death benefit pension and is state-funded.

Naming Beneficiaries
If you designate your spouse as a beneficiary for an Ordinary Death Benefit, your designation will be revoked upon divorce, annulment of marriage or judicial separation. However, the revocation will not take effect if you designate such person as a beneficiary after the divorce, annulment or separation.

Pg. 44 - Employment After Retirement
Although there are no earnings limitations for retirees re-entering the workforce in public benefit corporations (such as: HHC, Transit, OTB, etc.) each agency has its own internal policy on rehiring retirees. Please contact the agency for more information.

Pg. 45 - Section 212
The current Section 212 earnings limitation is $30,000. The maximum earnings limitation does not apply to Police Officers, Correction Officers, Deputy Sheriffs and Fire Marshals who are appointed to the Office of New York City Marshal. Such employees may earn compensation as a New York City Marshal without any diminution of their pension benefit.

Pg. 51 (Appendix A - Physically Taxing Titles)
This list is replaced in its entirety by a revised OLR listing updated through February 2006. Please see NYCERS’ Fact Sheet # 712, Physically Taxing Titles, on our website at www.nycers.org.
