**DATED: 06/07/2023**

**POST UNTIL: Until Filled**

**NYCERS POSTING NUMBER: 009-23-0088**

**Minimum Qualification Requirements:**

1. A master's degree in computer science from an accredited college or university and three (3) years of progressively more responsible, full-time, satisfactory experience in Information Technology (IT) including applications development, systems development, data communications and networking, database administration, data processing, or user services. At least eighteen (18) months of this experience must have been in an administrative, managerial or executive capacity in the areas of applications development, systems development, data communications and networking, database administration, data processing or in the supervision of staff performing these duties; or
2. A baccalaureate degree from an accredited college or university and four (4) years of progressively more responsible, full-time, satisfactory experience as described in "1" above; or
3. A four-year high school diploma or its educational equivalent, and six (6) years of progressively more responsible, full-time, satisfactory experience as described in "1" above; or
4. A satisfactory combination of education and experience equivalent to "1", "2" or "3" above. However, all candidates must have at least a four-year high school diploma or its educational equivalent and must possess at least three (3) years of experience as described in "1" above, including the eighteen (18) months of administrative, managerial, executive or supervisory experience as described in "1" above.

In the absence of a baccalaureate degree, undergraduate credits may be substituted for a maximum of two (2) years of the required experience in IT on the basis of 30 semester credits for six (6) months of the required experience. Graduate credits in computer science may be substituted for a maximum of one (1) year of the required experience in IT on the basis of 30 graduate semester credits in computer science for one (1) year of the required IT experience. However, undergraduate and/or graduate credits may not be substituted for the eighteen (18) months of experience in an administrative, managerial, executive, or supervisory capacity as described in "1" above

**Note:**

This position is open to qualified persons with a disability who are eligible for the 55-a Program. Please indicate on your resume or cover letter if you would like to be considered for the position under the 55-a Program.
