INSTRUCTIONS FOR MEMBERS FILING FOR DISABILITY RETIREMENT

Please follow these instructions carefully. They are designed to ensure that your application will be processed promptly.

• Please check the application packet to see that all of the following forms are included:
  • Application for Accident Disability Retirement or Application for Ordinary Disability Retirement
  • Applicant's Personal Report of Disability
  • Physician's Report of Disability
  • General Authorization For Medical Information
  • Disability Questionnaire

• Make sure that the application is acknowledged before a Notary Public or Commissioner of Deeds before it is mailed to NYCERS. If you are submitting the application in person you will not have to have it notarized if you can show a job identification card (picture).

• Have the Physician's Report of Disability filled out by the physician who has been treating you for the disabling condition. We have included three copies of this form, in case you have been treated by more than one physician. Please note that you must complete the authorization at the bottom of the form.

• The Applicant's Personal Report of Disability must contain the names of all hospitals, medical groups and physicians that have treated you for the disabling condition.

• A separate General Authorization for Medical Information must be completed for each hospital and medical group listed on the Applicant's Personal Report of Disability form as having treated you for your disabling condition. Hospitalization information should include the dates of admission and discharge and your hospital number.

• If you have any questions concerning these instructions, please call the Medical Division.

Please read carefully: It is your responsibility to:

1. Submit all current medical evidence to support the claim for disability retirement at least 10 days prior to the date you will be given an appointment to appear before the Medical Board. We will request medical evidence on your behalf from a hospital or H.I.P. center (not personal physicians). We cannot schedule you to come before the Medical Board until we have the required medical evidence. If the evidence is not received timely, your application could be officially suspended or closed, and you may not be eligible to reapply for disability retirement depending on your employment status.

2. Submit all X-Rays, CT Scans, MRI Films, and reports by the appointment date.

3. (For Tier 3 and Tier 4 members with Tier 3 rights only) Submit proof of filing for a Primary Social Security Disability Award within 60 days of applying for disability retirement with NYCERS. See the application for details.

4. Provide (if you are approved for Accident Disability Retirement or a Line-of-Duty Disability Retirement, except Uniformed Sanitation members) a recent Workers’ Compensation Notice of Decision when you submit your option selection forms. If you are not receiving Workers’ Compensation benefits, you must submit a statement from the Workers’ Compensation Board regarding the status of your case. We cannot finalize payment of your disability benefits until we have this information.

5. Notify this office immediately if you plan to have surgery for the illness/injury for which you are applying for disability retirement. We will schedule you to appear before the Medical Board (if you submit the required medical evidence) prior to the surgery since the Medical Board will not be able to examine you for this illness/injury until six months after the surgery. If you do not appear for this examination, you must submit proof that you were medically unable to do so. Failure to provide this proof will result in the suspension or closure of the application and depending on your employment status, you may not be eligible to re-apply for disability retirement. Please bear in mind that you will have to be examined by the NYCERS Medical Board before a determination can be made on your application for disability retirement.

Please note: Should you apply for and receive a return of your accumulated salary deductions your membership will terminate and your application will not be processed.

Federal Tax Withholding

Federal tax law provides that all payers are required to withhold Federal income tax on periodic payments (similar to wages), unless you elect to be excluded from such withholding. This election will remain in effect until revoked by you. If you do not complete this election, Federal income tax will be withheld at the rate of a married individual claiming three exemptions.

Please indicate your withholding selection by marking the appropriate choice below:

1. ☐ Do not withhold Federal income tax from my pension. (Do not complete 2 or 3 if you select this option)

2. ☐ Withhold based on number of exemptions using the following status (You may also enter a dollar amount in choice 3):

   (Check one only)  ☐ Single  ☐ Married  ☐ Married, but withhold at higher "Single" rate

3. ☐ In addition to the amount withheld based on my exemptions and filing status in choice 2,

   I would like to withhold $ Per Month (Must specify dollar amount only)

Note: You cannot enter an amount here without entering a number of exemptions in choice 2 (even if that number is zero).
Select an Interim Option: This section allows you to select an Interim Option (temporary option). Selecting an Interim Option protects you and your beneficiary(ies) during the period between your retirement date and the date you make a final option selection. It enables you to leave some form of your pension payment to whomever you designate on page 3 of this application should you die before a final option selection is made and your pension is finalized. You may choose to be temporarily covered by one of the options listed below. **If you do not select an Interim Option and you die before your pension is finalized, it is assumed that you selected the Maximum Retirement Allowance and your pension will not continue upon your death.**

- **Option 1 -- 100% Joint-and-Survivor:**
  Option 1 is a reduced benefit that is payable to you for your lifetime. It guarantees that the same reduced benefit will continue to your surviving designated beneficiary for life. Payments cease upon the death of both you and your beneficiary.

- **Option 2 -- 75%/50%/25% Joint-and-Survivor:**
  Option 2 is a reduced benefit that is payable to you for your lifetime. It guarantees that a percentage of your retirement allowance will be payable to your designated beneficiary for his or her lifetime. Your beneficiary will receive 75% or less (in 25% increments) of the reduced benefit paid to you. All payments cease after the death of both you and your designated beneficiary.

  Indicate Percentage:  
  - 75%  
  - 50%  
  - 25%

- **Option 3 -- Five-Year Certain:**
  Option 3 is a reduced benefit that is payable to you for your lifetime. If you die within five years from the date of retirement, the reduced benefit will continue to be paid to your Primary Beneficiary for the unexpired balance of the five-year period. If your Primary Beneficiary predeceases you, the payments due for the remainder of the five-year period are continued to your Contingent Beneficiary (if there is one) upon your death. If none exists, the balance is paid in a lump sum to your estate. Should your Primary Beneficiary die after having started to receive payments, the balance will be paid in a lump sum to your Contingent Beneficiary. If none exists, the lump-sum balance is paid to the estate of your Primary Beneficiary. Unlike Options 1 and 2, you may change your beneficiary(ies) with this option, but only within five years from the date of retirement.

- **Option 4 -- Ten-Year Certain:**
  Option 4 is a reduced benefit that is payable to you for your lifetime. If you die within ten years from the date of retirement, the reduced benefit will continue to be paid to your Primary Beneficiary for the unexpired balance of the ten-year period. If your Primary Beneficiary predeceases you, the payments due for the remainder of the ten-year period are continued to your Contingent Beneficiary (if there is one) upon your death. If none exists, the balance is paid in a lump sum to your estate. Should your Primary Beneficiary die after having started to receive payments, the balance will be paid in a lump sum to your Contingent Beneficiary. If none exists, the lump-sum balance is paid to the estate of your Primary Beneficiary. Just like Option 3, you may change your beneficiary(ies) with this option, but only within ten years from the date of retirement.

- **Option 5 -- 100% or 50% Joint-and-Survivor with Pop-Up:**
  Option 5 is a reduced benefit that is payable to you for your lifetime. Under this option, your designated beneficiary will receive the benefit payable under the 50% or 100% joint-and-survivor option (see Option 1 or Option 2). However, should your designated beneficiary predecease you, your retirement allowance will "pop up" to the Maximum Retirement Allowance for the remainder of your life. All payments cease upon your death.

EMTs who become incapacitated for the performance of duties on or after March 17, 1996 as the natural and proximate result of an injury sustained while employed as an EMT are entitled to a Performance-of-Duty Disability Benefit. You may also apply under this section if you are presumed to have contracted HIV (through the bodily fluids of a person under care), tuberculosis or hepatitis while in the performance of your duties.

Uniformed Sanitation Heart Bill (GML §207-q):

Instructions for the Use of the HIPAA-compliant Authorization Form to Release Health Information Needed for Litigation

This form is the product of a collaborative process between the New York State Office of Court Administration, representatives of the medical provider community in New York, and the bench and bar, designed to produce a standard official form that complies with the privacy requirements of the federal Health Insurance Portability and Accountability Act ("HIPAA") and its implementing regulations, to be used to authorize the release of health information needed for litigation in New York State courts. It can, however, be used more broadly than this and be used before litigation has been commenced, or whenever counsel would find it useful.

The goal was to produce a standard HIPAA-compliant official form to obviate the current disputes which often take place as to whether health information requests made in the course of litigation meet the requirements of the HIPAA Privacy Rule. It should be noted, though, that the form is optional.

When filling out Item 11, which requests the date or event when the authorization will expire, the person filling out the form may designate an event such as "at the conclusion of my court case" or provide a specific date or amount of time, such as "3 years from this date."

If a patient seeks to authorize the release of his or her entire medical record, but only from a certain date, the first two boxes in section 9(a) should both be checked and the relevant date inserted on the first line containing the first box.

Disability Retirement Tier 3 and 4

**Tier Membership Information:**

Correction Officers who became members of NYCERS after 07/27/76 are members of Tier 3. All other employees who became members after that date are members of Tier 4.

*Note:* Non-Correction Officers who became members on or after 07/27/76, and on or before 08/31/83, are Tier 4 members with Tier 3 rights.

**What Is Disability Retirement?**

Disability is defined as an injury or illness that prevents an employee from performing the routine duties of his or her job title.

Members are eligible for a benefit for disability retirement not based on a service retirement benefit formula if they have 10 or more years of **Credited Service**, of which 5 years must be **Membership Service**.

Members with less than 10 years of **Credited Service** may be eligible to apply for disability retirement based on a service connected accident which occurred in the performance of City service.

The courts have defined the term accident as a “sudden, fortuitous mischance, unexpected, out of the ordinary, and injurious in impact.” Not every line of duty injury is determined to be an accident.

**What Information Must I Submit to NYCERS in Order To Be Processed For Disability Retirement?**

You must complete and submit the following NYCERS forms:

- Application for Ordinary Disability Retirement or Accidental Disability Retirement (Form # 603 for Tier 3 members; Form # 604 for Tier 4 members)
- Your Personal Report of Disability (Form # 605)
- Your Physician’s Report of Disability (Form # 606)
- General Authorization for Medical Information (Form # 608)
- Questionnaire to Be Completed by Applicant for Disability Retirement. (Form # 609)

Before you complete any of the above forms, read the instructions in Form # 801 which comes with the application.

If your disability was the result of an accident on the job, your agency must submit an Accident or Incident Report prepared by you and your manager or supervisor, completely describing all the injuries and the events surrounding them. This report is most valuable if it is written at the time of the accident.

Submit your own medical evidence if you are being treated by a private physician. This includes any medical information not otherwise reportable on Form # 606.

Submit all X-rays, CT Scans, MRI films, and reports before your scheduled appointment date with NYCERS’ Medical Board.

**Tier 3 Members And Tier 4 Members With Tier 3 Rights:**

You must submit proof of filing for a Primary Social Security Disability Award within 60 days of applying for disability retirement with NYCERS. In order to receive your payment, you must submit your Social Security Administration Award letter within 60 days of its receipt.

**Disqualifying Conditions:**

You did not submit your application for disability retirement on a timely basis (see back page).

You do not have sufficient **Credited Service** required by your Plan and Tier.

You are vested, retired, or received a refund of your contributions, which terminated your membership in NYCERS.

**How Do I Apply For A Disability Retirement?**

Here are the steps for your initial application:

- Submit your application (completed and notarized).
- Authorize NYCERS to request information from your hospital or health care facility, AND/OR submit any and all medical evidence from a private physician to support your claim for disability.

NYCERS will not process your disability retirement application until the Medical Unit receives the items above and determines your eligibility. If you are not eligible, you will be notified in writing of the reason.

The eligibility tables on the back page explain the filing requirements for disability retirement.
**What Happens Once NYCERS Receives My Application, and How Is It Processed?**

Once NYCERS receives your properly completed and notarized disability retirement application, we will:

1. Verify your eligibility to make application and ask your employing agency to verify your employment status.
2. Ask hospitals and health centers to provide a medical history, if you have completed Form # 608.
3. Verify that your case file, including medical records, is complete. (The processing of your case will be suspended or closed if medical evidence is insufficient.)
4. Schedule you to appear before NYCERS’ Medical Board for a medical interview and/or examination. (Confirm your appointment at least 7 days in advance by calling (347) 643-3000 - press 8 then 1.)

**Note:** Failure to appear for your appointment before NYCERS’ Medical Board, without medical proof that you were unable to do so, will result in official suspension of your disability retirement application. Depending on your employment status, you may not be eligible to reapply for disability retirement.

5. Provide for a Medical Board review of your current files, and an interview and examination. The Medical Board will then make its determination.

**What Happens After I Am Interviewed and/or Examined by The Medical Board?**

NYCERS’ Medical Board will make a recommendation to approve, deny, or defer a decision on your application.

You can call NYCERS’ Medical Unit for the Medical Board’s recommendation based on the following schedule:

<table>
<thead>
<tr>
<th>If you appear before the Medical Board on:</th>
<th>Call NYCERS at (347) 643-3000 Press 8 then 1 for the Medical Board’s recommendation after 2:00 p.m. on:</th>
</tr>

<td>Thursday</td>
</tr>
<tr>
<td>Wednesday</td>
<td>Friday</td>
</tr>
<tr>
<td>Thursday</td>
<td>Monday</td>
</tr>
<tr>
<td>Friday</td>
<td>Tuesday</td>
</tr>
</tbody>
</table>

You will also receive confirmation of the Medical Board’s recommendation in writing.

**What Happens If The Medical Board Recommends Approval of My Disability Application?**

NYCERS will ask your agency to verify the last day you worked and the last day you were paid, if not previously provided. Upon receipt, NYCERS will establish a retirement date, process your advance payment, and send you a letter advising you of the amount.

**If The Medical Board Determines I Am Disabled, When Do I Receive a Benefit Check?**

NYCERS processes your case for an advance payment within 60 days from the time you are notified of the Medical Board’s approval of your application.

Approximately 90 days after you receive your first advance payment, you will receive a letter advising you of the amounts payable to you under various options, and a description of your benefit under the options available to you.

**What Happens If The Medical Board Recommends Denial of My Application for Disability Retirement?**

After the Board of Trustees accepts the recommendation of the Medical Board to deny your application, you may elect a review by a Special Medical Review Committee of three independent doctors. (Uniformed Correction Officers are not eligible for Medical Review.)

**Note:** Your union or employer must make a request, to the Executive Director of NYCERS, for you to appear before the Special Medical Review Committee. This election binds you to the Committee’s decision. You also waive your rights to reapply for a disability retirement, and to challenge the decision in court. (Article 78 relief.)

Members who are still eligible may reapply for disability retirement by filing another application and submitting current medical evidence not previously reviewed by the Medical Board.

If a member is beyond the one-year-termination limit, he/she must refile within 60 days of the Trustees’ determination, in order to maintain their eligibility.

A member also has the right to appeal non-medical issues relating to denial of their disability retirement application. Requests to appeal must be in writing.

NYCERS’ Board of Trustees does not have the authority to make medical decisions, or to overrule medical decisions of the Medical Board. NYCERS’ Trustees do make decisions about whether a disability is caused by an accident, or whether an incident is an accident.

**What Happens If The Medical Board Defers Its Decision?**

NYCERS will notify you of the deferral and may ask you to provide additional information, or appear for an evaluation before an independent medical specialist.

You are required to provide all information, or appear for evaluation within 45 days of the date of the NYCERS’ Medical Board letter. If you do not, your application will be suspended.
Am I Required To Report To NYCERS Any Income I Earn While Collecting My Disability Retirement Benefit?

Yes. Once each year, you will be required to complete, and return to NYCERS, an Affidavit of Personal Service Income for Tier 3 or Tier 4 Disability Retirees disclosing your income during the preceding calendar year.

Are There Any Limitations On Income Earned While I Collect A Disability Retirement Benefit?

Most pensioners are subject to limits on the income they earn while collecting disability retirement benefits. The extent to which income is limited depends on the specific disability law the member retired under.

In addition to the limitations on your income, other rules may apply to your employment while you are disabled. Before accepting employment, you should consult with a NYCERS’ representative to determine whether you are subject to earnings limitations.

What Happens If I Am No Longer Disabled And Want To Return To Work?

Members retired by reason of disability for more than one year may request a Medical Board re-examination to establish their ability to return to work.

In some cases, the Medical Board may approve a disability retirement application contingent on re-examination at a later date. By law, each year, every retiree receiving a disability retirement benefit from NYCERS may be required to be re-examined by NYCERS’ Medical Board.

If, upon re-examination, the Medical Board determines that you are no longer disabled, the Department of Citywide Administrative Services will place your name on a list of preferred eligible candidates for appointment to a position in a salary grade not exceeding that from which you retired. Disability retirement benefits will be paid until you are offered a job.

If you return to work, or fail to return to work when called, NYCERS will discontinue payment of your disability retirement benefit.

Note: You should notify NYCERS’ Pension Payroll Division immediately upon your return to work. Failure to do so may jeopardize your rights to future retirement benefits.

Are There Tax Consequences On Disability Retirement Benefits I Receive?

Disability retirement benefits for Tier 3 and Tier 4 members are not subject to New York State and local income taxes. They are, however, subject to Federal income tax.

The only exceptions are Uniformed Correction Officers, Emergency Medical Service employees, Uniformed Sanitation employees, and NYC Deputy Sheriffs who receive a 3/4 accident disability retirement benefit, or line-of-duty disability retirement benefit, which is free of Federal income tax.

Are There Any Offsets To My Disability Retirement Benefits (i.e. Social Security & Workers’ Compensation)?

Offsets are applied to some disability retirement benefits but the rules vary according to your Tier, and the type of disability you retired on. Check with NYCERS’ Medical Unit staff for more information.

Who Administers My Health Insurance Coverage?

NYCERS does not administer health benefits.

Ask your agency’s personnel or human resources department about active employees’ health insurance. Questions regarding retiree health insurance, and deductions, should be directed to the following:

NYC Office of Labor Relations: (212) 513-0470
NYC Transit Authority: (646) 376-0123
TBTA: (646) 252-7935

Can An Application For Disability Retirement Be Withrawn?

If NYCERS’ Medical Board has not yet finalized its findings, you may withdraw your application for a disability retirement benefit, upon written request to NYCERS.

Various laws and NYCERS’ Rules govern post-retirement earnings limitations for disability retirees. This brochure details such limitations. Please refer to the section of this brochure applicable to your tier.

**TIERS 1 AND 2**

**LIMITS BEFORE ATTAINING SERVICE RETIREMENT AGE**

Section 13-171 of the NYC Administrative Code provides that a disability retiree may receive income from employment in the private sector or the public sector if he or she has not yet met the age requirement (service requirement for retirees of a special plan which permits retirement without regard to age) under his or her retirement plan. The amount a pensioner may earn is the difference between the maximum current salary of the next higher title from that which he or she retired, and the maximum pension portion of his or her retirement allowance.*

**LIMITS AFTER ATTAINING SERVICE RETIREMENT AGE**

Once a disability retiree attains the minimum age requirement (service requirement for retirees of a special plan which permits retirement without regard to age) for his or her retirement plan, Section 1117 of the NYC Charter governs post-retirement public employment. Section 1117 provides that a retiree’s pension must be suspended if his or her total pension and earned income from the City, State or a municipality within New York State exceeds $1,800 in any year.** NYC Transit retirees are not subject to this limitation. Income from Public Benefit Corporations or the private sector is exempt from the $1,800 limitation in the NYC Charter.

**TIERS 3, 4 AND 6**

Tier 3, 4 and 6 disability retirees are generally subject to post-retirement earnings limitations. The extent to which these limitations apply depends on the specific law under which you retired. The following table shows the limitations under each law. If you do not know the disability law you retired under, refer to your Retirement Resolution or data sheet which was given to you at retirement.

</table>

*Exceeding earnings limitations under Section 13-171 will result in the suspension of your pension for the remainder of that calendar year.

**Since the pension and earned income are added together to compare to the $1,800 limit most pensioners will exceed this limit once they start working. The pension will remain suspended for as long as you continue to work.

***Employment with a Public Benefit Corporation in NYS is considered Private Employment.
